### CANADIAN NATIONAL AGE GROUP NAG RANKING

This program is a national points ranking for riders of one specific age group to include all skill levels. The scores from each riders 5 best best Canadian national event finishes plus the Canadian Grand Nationals (double national score) count towards a NAG overall ranking.

The ABA awards NAG Numbers Plates:

- 1-5 for all boys amateur age groups
- 1-3 for all girl and cruiser age groups.

### CANADIAN NATIONAL RANKING

This is the pinnacle of national competition, as this program basically involves combining all of the NAG classes into one points ranking list and determining which rider has more earned national points than all of the others, and that rider is recognized as a ABA Canadian National Champion!

National Champions are awarded in the following categories:

- > Amateur Boys (all ages combined)
- > Amateur Boys Cruiser (all ages combined)
- > Amateur Girls (all ages combined)
- > Amateur Girls Cruiser (all ages combined)
- > Pro / Girl Pro

National Number Plates are awarded to the top 10% (maximum of 50) for each category for amateurs and 1-10 for Pro Classes!
